1 The security amount standard is incomplete. Although the matter of security amount is under process at the Uttarakhand Government level, however, the University is directed that till the State Government issues a Government order to revise the security amount fixed by it, the previously fixed security amount should be deposited by the institutions and along with that, an affidavit should also be obtained from the institution to the effect that whatever decision is taken by the Government regarding the security amount will be valid and accordingly the security amount process will be completed.

2 If the institution has obtained affiliation of courses from one or more universities, then the institution will provide a report to the university regarding the affiliation of all the courses together and the completion of the standards as per the curriculum. After examining the report received from the institution, the university will provide it to the Governor's Secretariat.

3 Affiliation proposals for subsequent sessions should be accepted only if they are in accordance with the standards set by the regulatory body, University and Government; otherwise, incomplete proposals will not be considered, for which the University will be solely responsible.

4 Only in the event of fulfilment of all the standards prescribed by the University, Regulatory Body and State Government, with the approval of the Executive Council, order for extension of temporary affiliation under the prescribed conditions/provisions should be issued and information regarding the related action should be made available to the Honorable Chancellor for his information.

Kindly Ensure further action
