There is a registered Alumni Association with over 2000 members which contributes significantly to the development of the institution through financial and support services.

The institution has continuously engaged its Alumnus for purposes such as placement, mentorship, industry engagement, financial sponsorship, and overall growth of the institution.

Since some Alumni have been successful in their corporate careers, they have been actively helping the placement division of the institution by establishing relationships with their current employers and human resource divisions.

The alumni help by donations and contributions in financial aid for weaker sections of the students. The financial contribution of alumni in the last years is ₹ 1.86 Lakhs.

The Alumni Office acts as a link between alumni and the Institute. The patrons of the Alumni Office are Director and Registrar of Tula's institution. The Chairman of the Alumni Office, the Secretary, the Treasurer, and the coordinator take care of the functions of the office. The major objectives of the Alumni Office are to enhance coordination between Tula's and its alumni, to improve interaction of alumni with students and teachers, to establish alumni chapters in different metros of India, to create the database of alumni, and to look after the interests of Tula's alumni and contribute to the overall growth of the institution.

Three alumni chapters at NCR, North East, and Bihar act as fully independent units and the Alumni Office facilitates their smooth running. One of the major activities of the alumni office is to invite the alumni to visit the campus and host them. The institution provides them a guest house. Alumni are also invited to inspire current students on their aspirations and opportunities and guide them on their careers. The Alma Connect portal enables alumni to get registered to interact with the Institute. The URL of the site is https://tulasinstitute.almaconnect.com/. Discussion, chat, and internal email, job links, search facilities for alumni to contact their friends are some of the provisions available for registered alumni. Another initiative of the alumni office is to conduct reunions at the campus and at locations of alumni chapters across India. In the last year, an alumni meet (Retrace) was conducted for the NCR chapter on 28th April 2023, alumni from different batches had an interactive session with each other.
