6.2.3: Implementation of e-governance in areas of operations:

1. Administration:

- The college authorities have implemented full supervision of all the service units in the office through the ERP software.
- Biometric attendance for all staff members
- Fully automated, wireless office with 24x7 internet facility
- The Administration communicates with Governing Body members as well as the teaching and non-teaching staff through email
- All important administrative information including notices is regularly published on the website.
- To achieve the target of Paperless IQAC, committee members of it started using Google facilities like
  - Google sheet: For data collection from Various Departments
  - Google Docs: To prepare notices and activity reports.
- The college campus is equipped with CCTV Cameras installed at various places of need.
- ICT has been introduced in the Administrative work.
- College E-mails helps to provide the brief notices of any event to be happened on college.
- College E-mails are also used for awareness and of smooth functioning of the same.
