

# **Mentor Mentee Policy**

**(Under Faculty Mentorship Programme)**

**Effective from July 2015**

### **As a preamble:**

Tula's Institute recognizes the significance of individualised academic and personal assistance and direction by establishing a Faculty Mentorship Programme with the aim of promoting student achievement and overall welfare. The primary objective of this programme is to create a supportive atmosphere by pairing every student (as mentee) with a committed faculty mentor; this will effectively aid in their scholastic progression and comprehensive growth.

### **The objective is to:**

The Faculty Mentorship Programme at Tula's Institute has been meticulously crafted to accomplish the subsequent goals:

**Academic Guidance:** To ensure the academic success of students by providing individualised guidance on academic regulations, course selection, and programme prerequisites.

**Provision of Tailored Assistance and Support:** To ensure personalised attention and support are extended to students who are encountering academic obstacles or personal hardships.

**Parental Engagement:** To foster dialogue and cooperation among mentors, students, and parents/guardians concerning the academic development and overall welfare of the students.

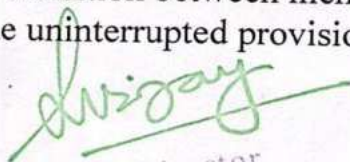

Regularly monitoring and analysing the performance of students in order to identify problem areas that require intervention or development.

In order to foster a sense of accountability and assistance among students in fulfilling their obligatory attendance obligations.

**Counselling and Problem-Solving:** To provide guidance and assistance to students in need while addressing their personal and academic concerns.

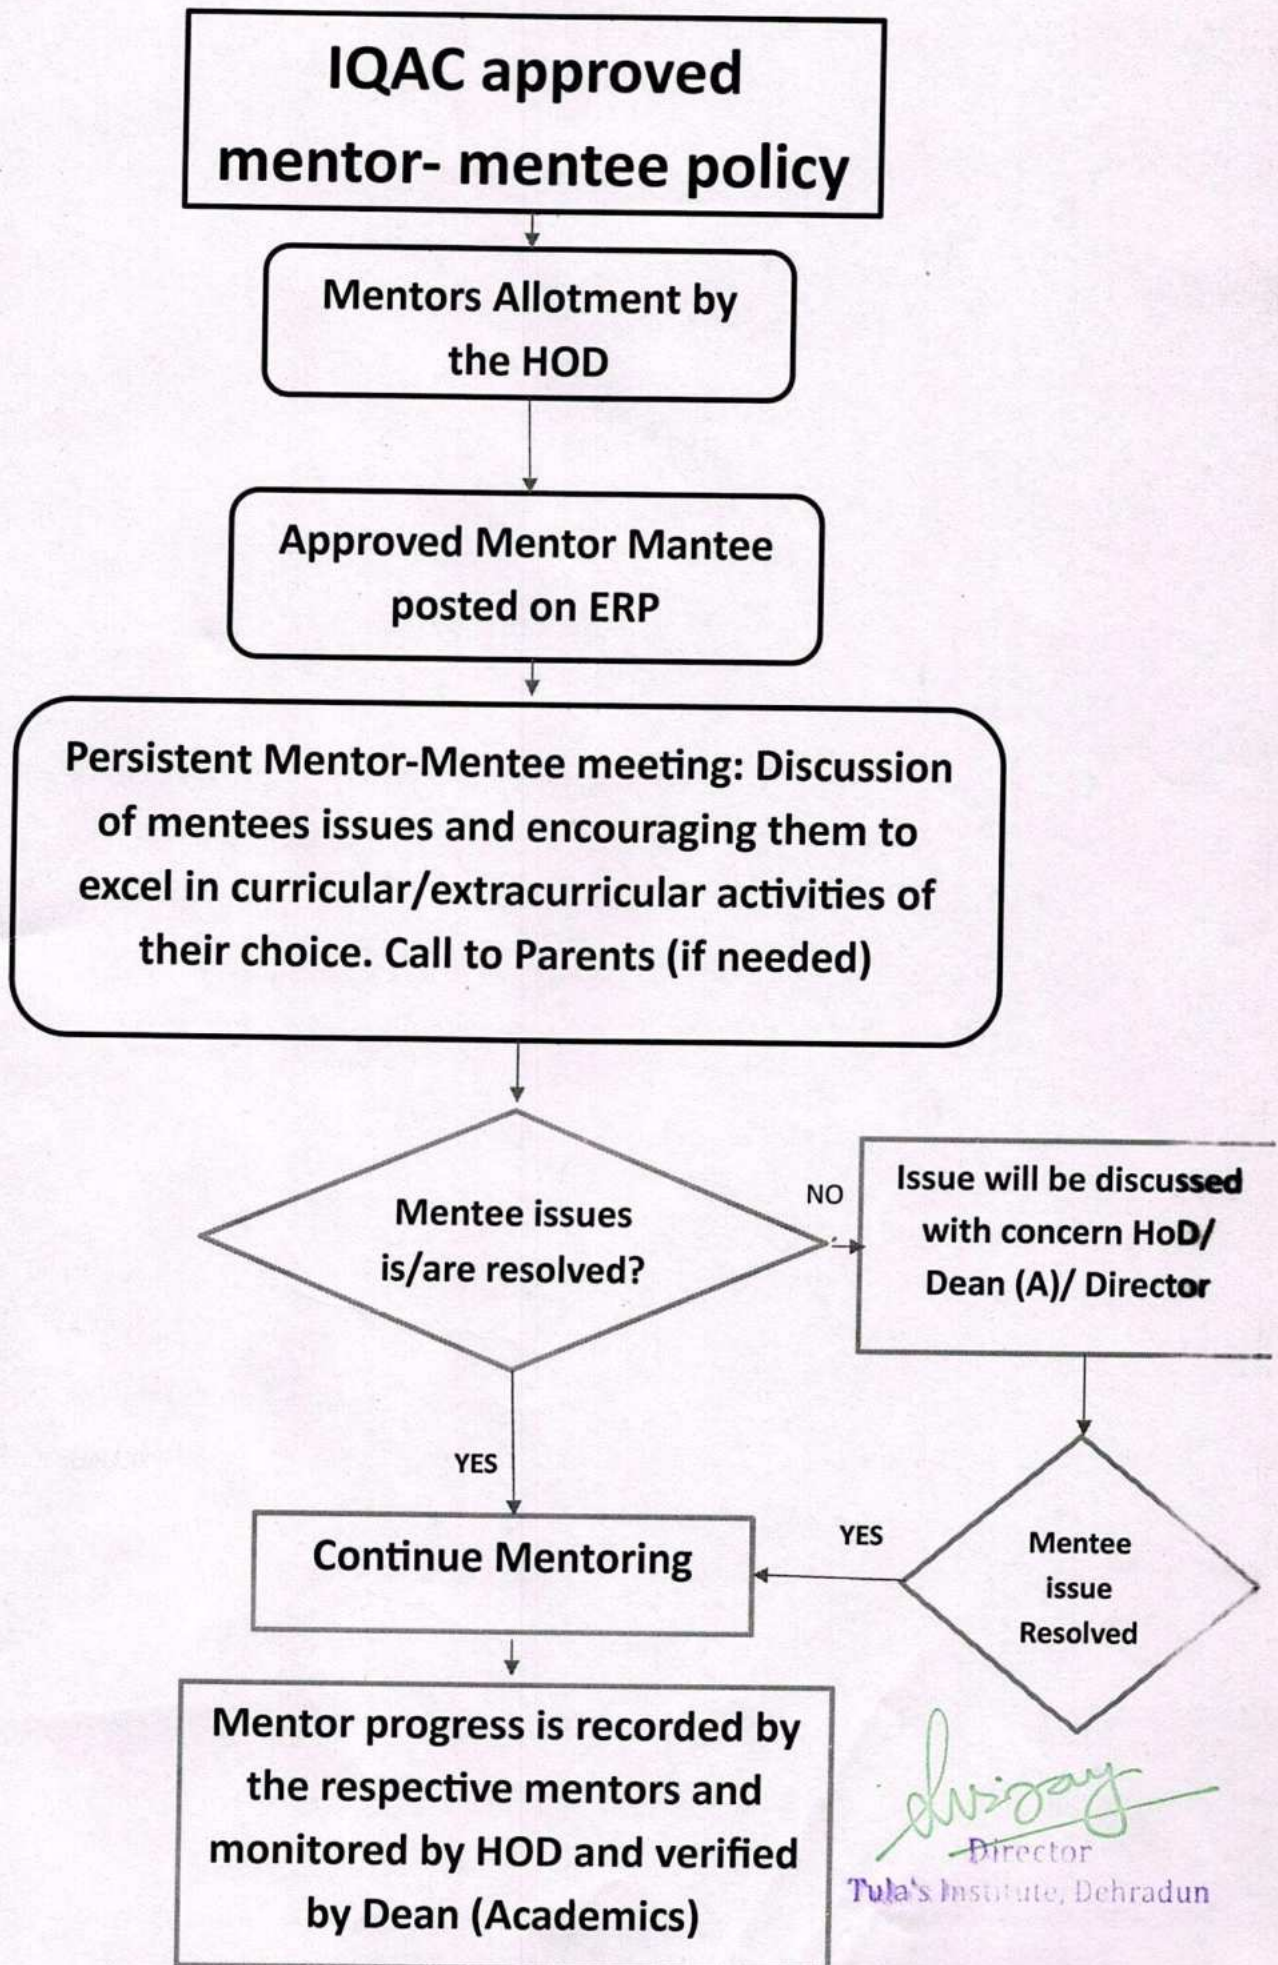

**Record-keeping:** In order to ensure that documentation of mentorship activities, meetings, and counselling sessions remains precise and current.

The objective is to guarantee a seamless transition between mentors by ensuring the appropriate transfer of records and the uninterrupted provision of support for students.
