## अभिनेता पीयूष मिश्रा की शायरी ने तुलाज़ के छात्रों को किया मंत्रमुग्ध

देहरादून, (निं०म०)। तुलाज़ इंस्टीट्यूट ने आज कॉलेज परिसर में प्रसिद्ध भारतीय अभिनेता, गीतकार, नाटककार, संगीतकार और पटकथा लेखक पीयूष मिश्रा के साथ एक टॉक शो की मेजबानी करी।

कार्यक्रम की शुरुआत अभिनेता पीयूष मिश्रा, तुलाज़ युप के अध्यक्ष सुनील कुमार जैन, तुलाज़ युप के उपाध्यक्ष डॉ. राधव गर्ग, डॉन डॉ. निशांत सक्सेना, डॉ. रनित किशोर, हेड मास्टर मुंगक पांडे, रजिस्ट्रार डॉ. पवन कुमार चौथे सहित सभी उपस्थित गणमान्य व्यक्तियों द्वारा दीप प्रज्ञवलन के साथ हुई।

पीयूष मिश्रा ने अपने सत्र की शुरुआत महान स्वतंत्रता सेनानी भगत सिंह के बारे में किसी साझा करके की। उन्होंने बताया कि कैसे उन्होंने वर्ष 1994 में भगत सिंह पर एक नाटक लिखा था, और कैसे उनके क्षारे में कई तथ्य हैं जो उनके ऊपर लिखी गई कई पुस्तकों में नहीं बताये गए हैं। उन्होंने कहा, आज के समय में हमें भगत सिंह

जैसे महान लोग देखने को नहीं मिलते।

सभी स्वतंत्रता सेनानियों में से, मैं सबसे अधिक सम्मान उन्हीं का करता हूँ। जिन चीजों से वह गुजरे और जो कुछ उन्होंने हमारे देश के लिए किया है, वह देखते हुए मैंने उनके जीवन के बारे में लिखा है। ओटीटी प्लेटफॉर्म के उभरते चलन पर अपने विचार साझा करते हुए, पीयूष

ने कहा, ओटीटी प्लेटफॉर्म आज की दुनिया में मनोरंजन के सबसे ट्रॉफेंडग माध्यमों में से एक है। ओटीटी के आने से अनगिनत व्यक्तियों को बढ़े पर्दे पर अपनी प्रतिभा दिखाने का सुनहरा मौका मिला है। हालांकि आज ओटीटी का चलन बड़े पैमाने पर है, लेकिन फिल्मों का बनना और हॉल में लगाने का चलन कभी कम नहीं होगा। सभा को संबोधित करते हुए उन्होंने तुलाज़ के छात्रों के साथ एक सबक साझा किया। उन्होंने कहा, अपने व्यक्तिगत अनुभव के अनुसार, मैं हमेशा युवाओं को शराब से जितना हो सके दूर रहने की सलाह देता हूँ। शराब के कारण मैं अपने जीवन में एक बहुत

बुरे दौर से गुजरा हूँ, और मैं नहीं चाहता कि कोई और व्यक्ति भी उसी चीज़ से गुजरे। उन्होंने अगे कहा, फ़िक्र और चीज़ जिसे हमें कभी नहीं भूलना चाहिए वह है हमेशा अपने माता-पिता के प्रति सम्मानजनक और आभारी रहना। समय रहते हमें अपने माता-पिता के साथ अपने सभी मतभेदों को दूर कर देना चाहिए। अन्यथा, हमको जीवनभर अपने पर पछतावा होगा। बॉलीवुड में एक अभिनेता के रूप में अपने अनुभव को साझा करते हुए, मिश्रा ने कहा, इंडस्ट्री में मेरा सबसे अद्भुत अनुभव गैंग्स ऑफ वासेपुर की शृंखिंग के दौरान रहा।

### About Rangoli

Rangoli is a timeless tradition that is followed all over India. Rangoli is also known as Alpana, Aripoma, or Kolam. It is an ancient art, practiced by almost all households. In many cases, designs are passed down through generations with some of them being hundreds of years old.

The word 'Rangoli' is said to have been derived from the words 'Rang' and 'Aravalli' which refers to a row of colors. Rangoli designs and colors vary between different regions but they all follow some basic patterns. A Rangoli usually has a geometrical structure that is also symmetrical. The design patterns often consist of natural elements like animals, flowers, etc.

### Rangoli at Diwali

Diwali is celebrated, primarily to herald the coming of the Goddess Lakshmi. Prayers are offered to her, asking for her blessings in the form of wealth. As such, a Rangoli design is created at the entrance of the house, not only to welcome the guests that visit, but also the Goddess herself. Rangoli patterns are usually made using coloured chalk, rice powder, and crushed limestone.

There is no limit to how big a Rangoli can be. Most Rangolis are the same size as a doormat placed at an entrance. These Rangolis are especially popular among residents of city buildings, where space is a constraint. For larger houses like bungalows, it is not uncommon to find an entire courtyard filled with a colorful designed Rangoli.

The variety in patterns and the difficulty levels for a Rangoli is largely dependent on the talents and skills of the person making the Rangoli. A Rangoli is always made by hand and all designs are carved out using the fingers. A line is usually drawn using a single finger, like a pencil. In some cases, a pattern may be outlined using dotted movements, which are joined together at the end. Once a pattern is formed, the desired colors are filled in.

### Summary Report

On 19th October 2021, Tula's Institute organized a rangoli and diya making competition to mark the upcoming festival of lights - Deepavali.

In the esteemed presence of Dean Academics- Nishant Saxena , Dean of Management - Ranit Kishore and Registrar- Pawan Kumar Chaubey , the rangoli competition was observed, which was initiated by the Tula's Vibgyor

The students created beautiful rangoli patterns on various concepts like Om, Swastik, Peacock etc. Students put in a lots of effort and came up with amazing ideas. They used diyas, flowers and other decorative material to beautify their rangolis.

### Outcome:

1. Assisting Those in Need: The primary outcome of a cloth donation drive is providing clothing to individuals and families who may not have the means to purchase new clothes. This can help address issues of poverty, homelessness, and vulnerability, ensuring that basic clothing needs are met.
2. Community Engagement: Donation drives often engage the community in a collective effort to support those in need. People come together to donate clothing, volunteer their time, and organize the logistics of the drive, fostering a sense of solidarity and compassion.
3. Empowerment and Dignity: Receiving donated clothing can empower individuals by meeting their basic needs and enhancing their sense of dignity and self-worth. Having appropriate clothing can also enable people to participate more fully in society, including in employment, education, and social activities.
