12.	Answer Sheet	20-29

Internal Assessment System

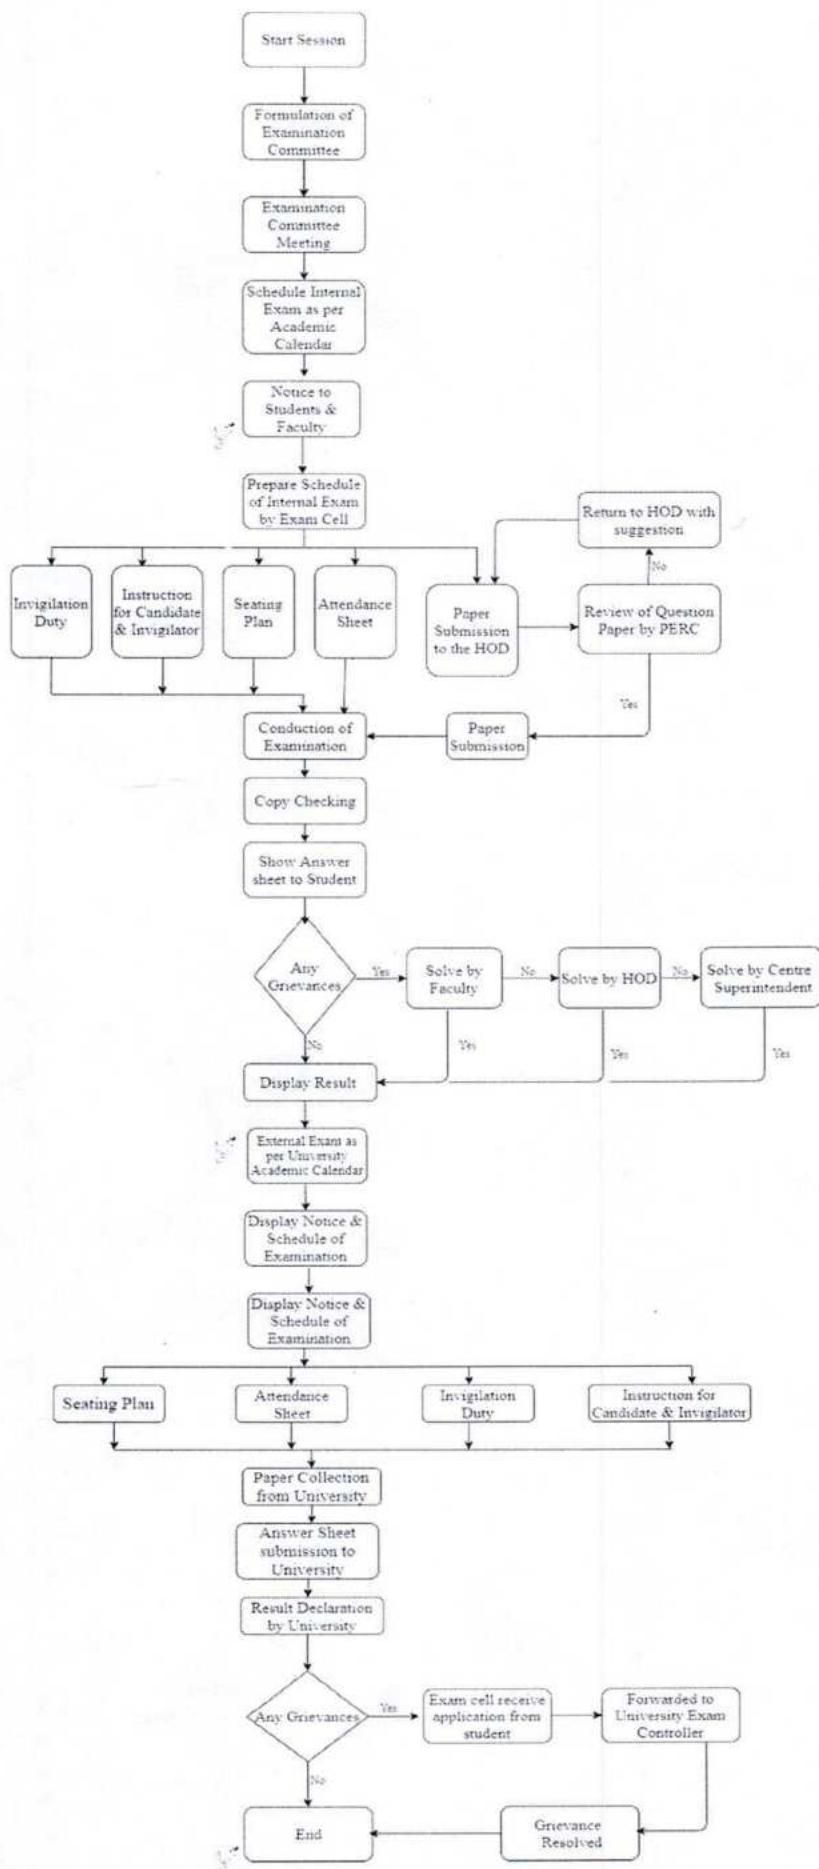

Tula's Institute has carefully devised a continuous assessment program wherein the students are constantly evaluated to ensure their competence in their academics.

Internal Assessment will be carried out as per the existing scheme across the year except that their assessment will be done twice and both will contribute equally in overall assessment as provided

Each semester two internal assessments are conducted and feedback is given to each student after identifying their weak and strong areas. PUT's are conducted for the benefit of weak students and students who require remedial teaching are identified based on their scores. Students are encouraged to submit two assignments for each paper which helps them improve their writing and presentation skills. Towards the end of each semester, students are marked based on their overall performance in the mentioned assessment system. All the activities for students are developed after keeping in mind the difficulty levels for slow and advanced learners.

The Institute should ensure that internal assessment is reliable, fair, and transparent for all students. The evaluation done by Faculty for internal assessment needs to be based on evidence of the students' performance throughout the academic session.

A handwritten signature in black ink, appearing to read "Dr. Jayant K. Srivastava". Below the signature, the word "Director" is written in smaller letters, followed by "Tula's Institute, Dehradun" in blue ink.

Policy Document on Continuous Internal Evaluation (CIE) w.e.f (Session 2022-23)

1. Internal Evaluation (IE) will be held on dates as mentioned in the academic calendar.
2. The Internal Evaluation schedule will be prepared by examination cell and will be sent to the respective departments for checking. Once checked by the respective department, the schedule will be disseminated among students.
3. Faculty members will have to submit two sets of question papers for each subject approved by HODs to the examination cell at least three days before the start of the internal examination. The question papers should be submitted in a sealed envelope.
4. Question papers should be prepared as per outcome based education. Questions should be mapped with course outcomes and level of questions should be as per revised Bloom's taxonomy.
5. The Program Evaluation Review Committee (PERC) will ensure the quality of questions papers.
6. Examination cell will issue the answer scripts of the students to the respective faculty members for evaluation on the same day of examination.
7. Examination cell will keep a record of all answer sheets issued to the faculty members for evaluation.
8. Answer sheets should be shown to the respective students for any discrepancies in evaluation before submitting to the examination cell.
9. IE marks and marks obtained in internal examination by students in each course will be displayed on notice boards.
10. Faculty members will have to submit the evaluated answer sheets to the examination cell within 7 days from the date of last examination.
11. Respective departments will have to submit the internal examination marks to the examination cell within ten days of the last day of examination.
12. Guidelines to be followed by students and invigilators are provided in Annexure I and Annexure II.

Vision

- To emerge as an academic centre producing world class professionals promoting innovation and research.

Mission:

- Promote intellectual and skilled human capital generation employment and entrepreneurship.
- Be educational centre of excellence of multi ethnicity and diversity.
- Establish as technology driven teaching learning institution.
- Provide world class platform for research and innovation.
- Inculcate social, environmental, heritage values.

Policy Document on Online Continuous Internal Evaluation(CIE)

(As per the revised guidelines from affiliated university)

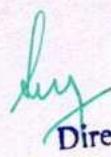

1. Internal Evaluation (IE) will be held on dates as mentioned in the academic calendar.
2. The Internal Evaluation schedule will be prepared by the examination cell and will be sent to the respective departments for checking. Once checked by the respective department, the schedule will be disseminated among students.
3. The Faculty members will have to submit two sets of question papers in soft copy for each subject approved by HODs to the examination cell at least three days before the start of the internal examination.
4. Question papers should be prepared as per outcome based education. Questions should be mapped with course outcomes and level of questions should be as per revised bloom's taxonomy.
5. PERC will ensure the quality of questions papers
6. As per the recommendation of PERC, the faculty members will upload their question papers of respective subjects at ERP system through their portal before one day of the commencement of examination. While the display timings of the question paper for students must be checked by the examination cell.
7. Question papers will be displayed to the students at their personal ERP portal according to the date and time mentioned in the examination schedule.
8. The students have to complete their work within the time limit and have to upload their answer sheets at predefined time else they won't be able to upload their answer sheets on their ERP portal systems.
9. The examination cell will dispatch the format of evaluation sheet to faculty members for evaluation of soft copy answer sheets on the same day of examination.
10. Examination cell will keep a record of all soft copy answer sheets received at the faculty members ERP portal for evaluation.
11. Evaluation sheets should be shown to the respective students for any discrepancies in evaluation before submitting to the examination cell.
12. IE marks and marks obtained in internal examination by students in each course will be displayed online through ERP portal.
13. Respective departments will have to submit the internal examination marks to the examination cell within ten days of the last day of examination.

Vision

- To emerge as an academic centre producing world class professionals promoting innovation and research.

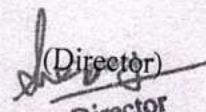

Mission:

- Promote intellectual and skilled human capital generation employment and entrepreneurship.
- Be educational centre of excellence of multi ethnicity and diversity.
- Establish as technology driven teaching learning institution.
- Provide world class platform for research and innovation.
- Inculcate social, environmental, heritage values.

Internal Examination Grievance Redressal Mechanism

(w.e.f Session 2015-16)

A student shall be entitled to reevaluate his/her answer books on the basis of application. re-evaluation is done in following conditions-

- a. If the student is not satisfied with the given marks.
- b. If the student is marked absent but he appeared in examination.
- c. If there is any mistake in the totaling of marks.
- d. If any answer is unchecked by the evaluator.

The grievances related to internal examination is resolved as follows:

1. The evaluated answer sheet is shown to the student and if the student is not satisfied with the evaluation, he/she can raise the grievance to the respective faculty member. The faculty member will address his/her grievances and resolve it at their end.
2. If the student is not satisfied with the solution provided by the respective faculty member, he/she can raise the grievance to the concerned HOD and he/she will resolve it within his/her delegated domain of power.
3. In Case of any doubts after the solution provided by the HOD, the student may contact the examination cell.

Examination cell shall address all the applications pertaining to internal examination grievances against examination/evaluation within 10 days after the display of answer sheets to the concerned students. All applications should be addressed to centre superintendent.

Once received by the centre superintendent, the application of re-evaluation is forwarded to the respective head of the department. The concerned subject faculty member will re-evaluate the answer sheet in presence of centre superintendent. The re-evaluated answer sheet will be forwarded to the examination cell.

The examination cell will show the re-evaluated answer sheet to the concerned student.

7. Cellular phones, pagers and articles like nature shall not be allowed in the examination hall (scientific/simple calculators are however permissible in the examination hall, if prescribed.)
8. Do not write anything inside the answer book before distribution of question paper.

Director
Tula's Institute, Dehradun

John C.
Auburn, N.Y. 1967

Ans 1)

- a) GST- Goods and services Tax ✓
- b) VAT- Value added Tax ✓
- c) SGST- State Goods and services Tax ✓
- d) Supply - It means supply of goods & services where goods and services are supplied to the consumers. For the supply to attract GST, GST is put on the taxable supply of goods & services.
- e)  The concept of exemption in GST Act means that some goods and services exempt the GST. No supply of goods & services there will be no Tax.
- f) Composition scheme is a very easy and simple scheme for the Tax payer. Because it get rid of tedious Tax formalities & good rate of return on GST.

It benefits the Tax payer who's turnover is less than 1.5 crore.

Ans 2)

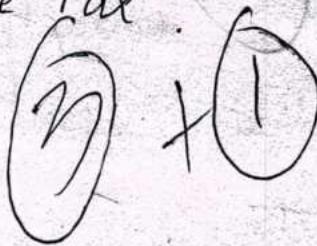

Ans 4.)

GST is Goods and services Tax which introduced on 1 July 2017 by the Central Government of India. GST was implemented to reduce the previous Taxes in India which were VAT, services Tax, Gift Tax & they were putted according to the different states. the main motive of Central Government to introduce GST was "One Nation One Tax".

Some of GST rates:-

5%, 12%, 18%, 28%.

One of the rate 2% which is putted on precious stones like gold, silver, artificial stones, etc. and 5% on wheat & rice packet. these were the GST rates which are implemented.

Structure of GST

Q2?

Intrastate supply of goods & services in which the transportation takes place in within the state only.

1- CGST - It is Central Goods and Services Tax where the GST amount is given to the federal Government of India. The amount divided equally in CGST.

2- SGST - It is state goods and services tax where the amount is given to state Government directly.

Interstate supply of goods & services in which the transportation takes place in the whole country & in the world.

Director
Tula's Institute, Dehradun

1- IGST - Integrate Goods & service Tax in which both CGST & SGST will equally divided & given to the respective government.

Eg.- The supply from UP to MP will come under IGST & the SGST will be given to the supplier (given not to the one who receives the supply of goods & services.)

Ans
b)

The silent features of indirect Taxes before GST in India:-

- 1- Payment Tax- The amount of Tax will be paid by the Tax payer and it will further transferred to the consumer for final payment.
- 2- Liability on Tax- The tax payer of goods & services will pay the tax amount & the final payment will be done by the consumer.
- 3- Nature- earlier the Nature of Tax was of regressive in nature but now after GST the Nature is of progressive.

- 4- Evasion - Earlier the tax evasion was easy . Tax is evaded in huge amount but now because of GST the tax evasion is reduced.
- 5- Investment & Savings - Because of these Indirect tax the people ~~start~~ started doing saving & investment. As the Tax amount ~~is~~ increased.

Anc)

The process of getting your firm registered under GST Act :-

Step 1- Open GST portal gst.gov.in.

Step 2- Home page will open with many options & click option (Service).

Step 3- In service option there ~~is~~ is a new option which is New registration. click on New registration. and you have to fill the details like name , Place, id proof, Email, etc.

Step 4- The OTP will come & TRN no will generate & with the TRN no you

will again login to the GST Portal.

Step 5- After login with the TRN no you will enter to the new registration process where you will enter the trade name, principle place, commencement of business, etc.

Step 6- Submit the information of promoter like name, id, Email, etc of the promoter.

Step 7- Principle place of the business that in which place it get started. Eg- SBI Headquarter in Mumbai.

Step 8- Click on the final submit button and OTP will come.

Step 9- Enter the OTP and click on final submission button.

Registration process is complete.

Ans 3.) a) The concept of supply under GST Act that supply is a merciful case. where if there is the supply of goods & services will take place then only you will pay the Tax. means no supply no Tax.

And before charging GST we should check the dealer who is dealing in the business that is he have done the supply of goods & services or not. The dealer in the business is registered or not if the person is not registered the whole process will not claim & the security of supply will not get sell. And the supply should be done in Taxable territory. The person who is paying should be Taxable.

②

Director
Tula's Institute, Dehradun

(Ans b) The concept of intra state & inter state of goods & services under GST Act.

① Intra state of goods & services in which the transportation takes place within the state. & the GST amount will equally be divided in CGST & IGST.

a) CGST - Central Goods & Services Tax will be taken by the federal government.

b) SGST: State Goods & Services Tax will be taken by state government itself.

Eg:-

$$\begin{array}{rcl} 1000 & \xrightarrow{\text{2.5\% CGST}} & 1005 \\ \underline{- 50} & & \\ 1000 & \xrightarrow{\text{2.5\% SGST}} & 1005 \end{array}$$

② Inter-state of goods & services in which the transportation takes place within the whole country.

IGST Integrated Goods & Services Tax is the Tax for which both the Tax comes CGST & SGST. & SGST is given to the supplier state.

(3)

(iv) The advantages of small suppliers under GST Act.

① The Threshold registration:-

Before there was VAT, services Tax & they were putted according to the different state, but now after GST these has been reduced.

② Composition scheme:-

This scheme helps to the small supplier because they get rid of tedious Tax formalities. It benefits the Tax payer whose turnover is between (20 lakh to -75)

③ Simple & easy online registration:-

Before GST there was a very tedious Tax formalities for that we need a profession but now their is a GST portal in which every common man can register himself.

IV Reduces the Tax Evasion:-

GST has reduces the Tax Evasion because earlier it was done in the large amount.
