To Whom It May Concern

My name is Utkarsh Mishra I am the Team Lead Manager at Vaug Digital Solution. I am writing this letter in order to support Mr. Nikhil Mathur and his desire to join your company. I have been acquainted with Nikhil since one month now and I have observed all his attributes very seriously during this time. Being an intern, Nikhil is sincere, punctual and obedient against the popular conception of the people of his age being rude or unprofessional.

When Nikhil applied for an internship here at Vaug Digital Solutions for the post of a part-time Website developer intern, we were amazed by his experience in the field because he is just 21 and was in the third year of college. We were surprised to see his enthusiasm and an unquenchable thirst for learning new things. As a website developer Nikhil created codes for our client's website using various technologies. Our company helps other businessmen by outsourcing their business requirements and software development is one of the major services we provide. Nikhil has worked really hard in keeping up with our reputation as leading developers and has always helped us deliver quality to our clients through his efforts. His work spoke for itself and never in his tenure at this company did we ever have to encounter an unpleasant scenario due to his fault. He was patient, determined and smart in all the ways possible which made his bond really well with the other employees. Every role that was given to him was justified and we are proud to have given a chance to such a talented young boy.

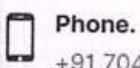

I strongly recommend him as the Software developer for your facility and hope that he'll make you as proud as all of us. In the case of any queries or questions, you can contact me at the digits given above or drop me at my email ID as well.

Regrads,

Utkarsh Mishra

Nikhil Mathur,

Dehradun, Ajmer, India

Selection for Internship

Dear Nikhil Mathur,

On behalf of Vaug Digital Solutions, I am excited to extend an offer to you for an internship position within our Website Development Department as a Web Developer Intern. This position is work from home & duration will be 10 AM to 5 PM all working days with a stipend of Rs. 1000/- (We may raise according to the performance & will offer a job opportunity at the end of this Internship).

This position is scheduled to begin 17/02/2022 and will be a two-month internship opportunity ending on 17/05/2022. In this role, you will report directly to Rohit Salaniya. This offer is contingent upon the successful completion of position requirements.

During your temporary employment with Vaug Digital Solutions, you may have access to trade secrets and confidential or proprietary business information belonging to Vaug Digital Solutions. By accepting this offer, you acknowledge that this information must remain confidential and agree to refrain from using it for your own purposes or disclosing it to anyone outside of Vaug Digital Solutions. Also, you agree that upon completion of your internship, you will promptly return any company-issued property and equipment along with information and documents belonging to the company. By accepting this offer, you acknowledge that you understand participation in this program is not an offer of employment, and successful completion of the program does not entitle you to an employment offer from Vaug Digital Solutions.

This offer letter represents the full extent of the internship offer and supersedes any prior conversations about the position. Changes to this agreement may only be made in writing. If you have any questions about this offer please contact Samir Shinde in our recruiting department. Please review this letter in full, and sign and mail us on info@vaug.in to confirm your acceptance of the position no later than close of business on 20/02/2022. We look forward to having you begin your career at Vaug Digital Solutions and wish you a successful internship. Welcome to our team!

Sincerely,

Samir Shinde

HR Head

*Rohit
Tula's Institute, Dehradun*

I, Nikhil Mathur, accept the above offer and will begin the internship position on 17/02/2022

Nikhil Mathur Nikhil Mathur (17/02/2022)

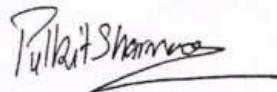

Date: 5th September, 2022

To Whomsoever It May Concern

This is to certify that Nikhil Kumar Rai has worked as an Intern from July 2022 to August 2022 with Accerank Softwares Private Limited as a Android Developer Intern under the guidance of Mr. Pulkit Sharma.

In this tenure, we have found him disciplined, hardworking and enthusiastic for his work. Nikhil has demonstrated excellent creative and designing skills. He is attentive to tasks and works tirelessly to achieve the goals of the department. Letter of recommendation

I am writing this letter to recommend Saurabh Kumar as a DevOps & Cloud Engineer for your organisation. Saurabh Kumar in my opinion , reached the level with his exceptional performance. But our organisation is not growing to the point where we can make him a DevOps Engineer , so I suggested that he explore his options.

Saurabh Kumar is exceptionally responsive to his duties and is able to interpret even the most complex instructions. He is already a resource for the people in his department and he has been acting as an unofficial supervisor for months. The move to becoming an official DevOps Engineer is the next logical step for him.

Saurabh Kumar has been the team lead on several project points and that was at my recommendation and the insistence of the employees. Saurabh Kurnar has garnered nothing but respect from his peers and they view him as a supervisor right now. He has earned the title of DevOps Engineer and your company would benefit greatly from hiring him.

While I will be sad to lose Saurabh Kumar, I feel that this move is the right one for his career. Should you have any questions, please feel free to email us at contact@devlance.in .
