Summary Report

An Initiative by Tula's Institute and Sukamana Foundation

Venue: *Tula's Institute, Dehradun*

Date: 22nd May 2022

Tula's Institute celebrated the 8th International Yoga Day on 21st June 2022 with the enthusiastic participation of more than 200 participants including NCC cadets, NSS volunteers, college students, faculty, and staff.

The celebration on Tuesday was started with the lighting of the lamp by the Honorable Chief Guest and Cabinet Minter of the Government of Uttarakhand Shri Satpal Maharaj, Vice President of Tula's Institute Mr. Raunak Jain, Vice President Technology Dr. Raghav Garg, and Dr. Sandip Vijay, Director of Tula's Institute. Shri Satpal Maharaj addressed the gathering about yoga and the benefits of practicing Yoga to the individual in everyday life and highlighted the potential for customization to suit the individual. He, along with other participants, actively participated in the meditation session.

Mr. BL Semwal, and Mr. RS Chauhan, heartfulness meditation trainers, Dehradun, were invited on this occasion to conduct the meditation session. Yoga instructors Mrs. Supreet Arora, Mr. Shekhar Bisht, and Mrs. Anita Sharma gave Yoga training to all participants during the practice sessions. The whole program was organized by Dr. Sachin Kumar and Mr. Emmanuel Gabriel, faculty coordinators of student affairs with active support from all the volunteers of NCC and NSS of the institute and Sukamana Foundation and Trust (NGO). The purpose of yoga is to build strength, awareness as well as harmony in both mind and body. Tula's Institute gives a lot of importance to the well-being of its faculty and staff members. A vote of thanks concluded the session by Mr. Raunak, where he congratulated all the participants and thanked the efforts of the team to conduct such an amazing event.

Name of Event: Seminar on "Menstrual Hygiene"

Objective:

This event is organized to create awareness around menstruation among female students that were previously very reluctant to talk about menstruation, genitals, or menstrual flow.

Guest Speaker: Mrs Poonam Sharma, Dietician

Summary: Internal Complaint Committee has manifested a guest lecture on Menstrual Hygiene on May 20th 2022. Menstruation is an inevitable part of most women's lives. It is a natural part of the reproductive cycle, but what some may not realize is that in many developing countries, the lack of information about menstrual hygiene, as well as materials themselves, creates a culture of taboos and misinformation about menstruation and potential health risks such as vaginal infections.

Mrs Poonam being the guest speaker of the event helped girls' students knowing that their period is coming about every month gives them a newfound and empowering sense of responsibility for their taking care of their bodies.

Outcome

- Female students have been made aware about menstrual hygiene management and activities.
- Their health needs to ensure that hygienic menstrual practices can be observed and that women have easy access to sanitary pads.
- Learning and understanding what menstrual hygiene options exist for them gives the opportunity to choose what solution is best for them.

Name of Event: Aptitude Training

Objectives of the Event

The primary objective of this training is to help students in mastering different topics of Quantitative Aptitude and get them prepared for placement opportunities. This training improves student's efficiency in using mathematical problem solving techniques and standard formulas. There are quizzes after each class so the students can test their knowledge.

Outcomes of the Event

Outcomes of this type of training include the ability to exercise one skill over another, such as assertiveness instead of active listening. This training helped the students to improve their numerical problem-solving skills. Besides improving their numerical skills the lessons and the model questions that the trainer provided enabled the students to improve their critical thinking, logical reasoning and verbal as well as psychometric skills.

Summary Report

An initiative by Tula's Institute to enhance the placement opportunities of students.

Venue: F-304(F BLOCK), GSB DEPARTMENT, Tula's Institute, Dehradun

Name of Event: Soft skills training

Objectives of the Event

Soft skills training provide tools for the student's personal & professional life. Most of the topics covered in soft skills training, such as communication, recovery, and resilience, are closely related to students' personal lives. For example, improvements in communication skills might improve communication at home, which then might lead to decreased stress levels and improved mood in both personal and work life. Even though private and work lives are often separated, they have a huge impact on each other.

Outcomes of the Event

Outcomes of this type of soft skills training include the ability to exercise one skill over another, such as assertiveness instead of active listening.

Summary Report

An initiative by Tula's Institute to enhance the placement opportunities of students.

Venue: *Conference Hall and G-Block Room No-G 201, Tula's Institute, Dehradun*

- Tula's Institute successfully conducted the training session of Soft skills from 21/03/2022 to 26/03/2022. This training session is carried out in association with **BARCLAYS & GTT**. Training session started with the role of soft skills in different aspects of life by the trainer **Mr. Sushant Sharma**. The trainer also explained the importance of enhancing communication skills for increasing different career opportunities.

Name of Event: Chai pe Charcha (Debate Competition)

Objective:

This event is organized to generate effective critical thinking into primary issues in the given topic.

Resource Person: Mr Emmanuel Gabriel

Summary: Tulas institute organized “Chai Pe Charcha” on 4th March 2022, a platform for students where they can have a formal discourse on a particular topic, including arguments which are put forward for often opposing viewpoints.

Around 55 students actively participated in the event. The students were divided into many teams. The first round was group discussion where the students were given a particular topic and kept their views for or against the topic. The second round was extempore in that the participants had to speak on the topic which was given to them on the moment.

This event helped the students to build their proficiency and confidence to speak up and keep their views in front of other people. It also helped the students in developing their critical thinking skills that are essential in their daily life, thus, made the event a successful one. Gurdeep Sahani from BBA 1st Year was declared the winner and Srishti from Bsc Agriculture 1st Year became the runner up of the event.

Outcome

- Debate participation promotes problem solving and innovative thinking, and helps students to build links between words and ideas that make concepts more meaningful.
- Debate students are taught to synthesize wide bodies of complex information, and to exercise creativity and implement different ways of knowing.

Name of Event: Aptitude Training

Objectives of the Event

The primary objective of this training is to help students in mastering many topics of Quantitative Aptitude and get them prepared for placement opportunities. This training improves student's efficiency in using mathematical problem solving techniques and standard formulas. There are quizzes after each class so the students can test their knowledge.

Outcomes of the Event

Outcomes of this type of soft skills training include the ability to exercise one skill over another, such as assertiveness instead of active listening. This training helped the students to improve their numerical problem-solving skills. Besides improving their numerical skills the lessons and the model questions that the trainer provided enabled the students to improve their critical thinking, logical reasoning and verbal as well as psychometric skills.

Summary Report

An initiative by Tula's Institute to enhance the placement opportunities of students.

Venue: H-402, CSE DEPARTMENT, Tula's Institute ,Dehradun

Objectives of the Event

Covers software design, implementation, and testing using Java. Introduces object-oriented design techniques and problem solving. Emphasizes development of secure, well-designed software projects that solve practical, real-world problems. Learning JAVA enhances the placement & career opportunities of students.

Outcomes of the Event

Students have learned to:

- Use an integrated development environment to write, compile, run, and test simple object-oriented Java programs.
- Read and make elementary modifications to Java programs that solve real-world problems.
- Validate input in a Java program.
- Identify and fix defects and common security issues in code.
- Document a Java program using Javadoc.
- Use a version control system to track source code in a project.

Summary Report

An initiative by Tula's Institute to enhance the placement opportunities of students.

Venue: LAB 3, Tula's Institute ,Dehradun

Tula's Institute successfully conducted the training session of JAVA from 6/12/2021 to 11/12/2021. This training session is carried out in association with UPTOSKILLS in collaboration with BARCLAYS & GTT. Training session started with the introduction to JAVA language by the trainer Mr. Abhishek Kumar. The trainer explained the role of data structures in structuring and manipulating data, especially multimedia. He also discussed the properties, strengths, and weaknesses of the different structuring approaches for media.

Name of Event: Life Skill

Objectives of the Event

Life skills training offers help and tools for the student's personal & professional life. Many of the topics covered in soft skills training, such as communication, recovery, and resilience, are closely related to Students' personal lives.

For example, improvements in communication skills might improve communication at home, which then might lead to decreased stress levels and improved mood in both personal and work life. Even though private and work life are often separated, they have a huge impact on each other.

Outcomes of the Event

Outcomes of this type of life skills training include the ability to exercise one skill over another, such as assertiveness instead of active listening.

Summary Report

An initiative by Tula's Institute to enhance the placement opportunities of students.

Venue: AUDITORIUM, Tula's Institute ,Dehradun

- Tula's Institute successfully conducted the training session of life skills from 6/12/2021 to 11/12/2021. This training session is carried out in association with UPTOSKILLS in collaboration with BARCLAYS & GTT. Training session started with the role of life skills in different aspects of life by the trainer Mr. Saurabh Jangal . The trainer also explained the importance of enhancing communication skills for increasing different career opportunities.

Name of Event: 1st Campus Internship Drive by The Times of India

Objective:

This event is organized to apply the knowledge you have acquired during an internship to your future workplaces., it is an excellent learning curve for young graduates and students while meeting new people and making connections in the professional world.

Resource Person: Mr Anupam Nautiyal

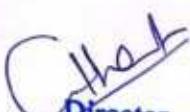

Summary: Tula's institute organized "1st Campus Internship Drive by The Times of India" on 31st March 2022, a platform for students where they can learn while meeting new people and making connections in the professional world through which connect them to future workplaces.

Students actively participated in the event. The students were divided into many groups for campus drive internships activities by The Times of India.

This event helped the students to build their proficiency and confidence to speak up and keep their views in front of other people. It also helped the students in developing their professional skill at future workplace to coordinate them with their client and team members.

Outcome

- Campus Internships Drives help student's master professional soft skills such as communication, punctuality and time management.
- At an internship, a student can practice and improve their industry skills while also learning how to work. Students can gain a better understanding of how what they are learning in school can help them with their future.
- An internship can be a real confidence builder for a student. Being successful in the real world can inspire a student to work harder at college, and be more willing to take on challenges or be outside of his/her comfort zone.
