4.2.1 Library as a Learning Resource

4.2.1 Library is automated using Integrated Library

Management System (ILMS) Response:

Tula's Bibliotheca:

The Library of Tula's Institute is well-managed and acts as the knowledge hub of the entire institute with an infrastructure of 448 sq mt built up area. It has a rich and comprehensively high quality of information and resources in the field of Engineering, Management and Agriculture. It serves as a creative and innovative partner in supporting the teaching, learning and research activities of the Institute.

Library Collection:

With over 56880 volumes library is a veritable powerhouse of knowledge. It provides a vast and constantly updated resource to all users to ensure their overall development. Tula's believe that it is the brain of the institution and acts as a center of knowledge for all disciplines. Tula's library has well experienced librarian, assistant librarians and library attendants. They attend workshops/seminars for exchange of ideas and knowledge enhancement.

The Institute has a separate reference library meeting the needs of the respective departments.

Tula's library has its own Vision and Mission statement. It visualizes empowering, encouraging, inspiring and excelling being the fountain head of teaching-learning resources for the academic and student community". The vision and mission are displayed in the library. Library conducts annual events such as Librarian Day and World Book day where its vision and mission are disseminated to new students.

Digital library:

Digital library has e-books and e-journals available 24*7, whereby students can access the material and books anytime from anywhere.

E-books: 18383 e-books have been provided by EBSCO, KOPYKITAB & DELNET.

E-Journals: 3338 e-journals available by EBSCO &

Vision

- To emerge as an academic centre producing world class professionals promoting innovation and research.

Mission:

- To promote intellectual and skilled human capital generation employment and entrepreneurship.
- To be educational centre of excellence of multi ethnicity and diversity.
- To establish as technology driven teaching learning institution.
- To provide world class platform for research and innovation.
- To inculcate social, environmental, heritage values.

DELNET

NPTEL & Open Educational Resources (OER): The NPTEL, video-based teaching material by the IIT and Technical Teacher Training Institutes (TTI), is also available in the library. This keeps students and faculties abreast with new technologies and provides them with better understanding.

Library Committee:

Institute has a library committee headed by the registrar, having members from different departments and three members from the student council. Meetings are conducted bi-annual and minutes of meeting are recorded and circulated as well. The recommendations provided by the library committee are shared with the management for further action.

Library is automated using Integrated Library Management System (ILMS)

The institute has automated library using KOHA Cloud software which is upgraded from time to time. The following are the versions utilized during 2022-2023 years.

Sl. No.	Name of ILMS	Nature of Automation (Full or Partial)	Version	Year of Automation
1	KOHA Cloud	Fully	22.11.03.000 Rosalie	2022-23

Central Library

Vision

To empower, encourage, inspire and excel being the fountain head of Teaching-Learning resources for academic and student community.

Mission of the Tula's Central Library

1. To understand the research, teaching, and learning needs of users.
2. Acquisition and conservation of all significant printed and non-print materials.
3. Rendering of bibliographical and documents services of current and retrospective material, both general and specialized.
4. To provide access to and promote the discovery and use of local and external information resources.
5. To create hospitable physical and virtual environments for study, teaching, and research.
6. Acting as a referral centre purveying full and accurate knowledge.
7. To advance local, national, and international library and information initiatives.
8. To develop, encourage, and sustain expertise, skill, commitment and an innovative spirit in its staff and to follow the mission of its parent organization.
9. To provide seamless access to comprehensive and quality resources in physical and Digital formats to Tula's Community.
10. To promote leading support for lifelong learning among Tula's academic and student community.
11. To collaborate & enrich resources for research within Tula's Community.

Library Values

In all of our interactions, we are guided by these values:

Knowledge

We encourage the process of learning and the life of the mind.
We celebrate truth seeking through discourse and investigation
We anticipate and contribute to scholarly inquiry
We promote the Library as both a real and virtual extended classroom

Technology

We believe the Tula's Institute Library must be an active partner in the development and implementation of technology to ensure that access to knowledge and information will be equitably available to all

Teamwork

We believe that each individual is a member of the team, working together to serve our users / customers

Objective of the Library

The objectives of our Library are the five fundamental laws stated by Dr. S. R. Ranganathan, the Father of the Library Science in India.

- First Law: Books are for use.
- Second Law: Every reader his or her book.
- Third Law: Every book its reader.
- Fourth Law: Save the time of the reader.
- Fifth Law: A library is a growing organism.

Text Books Loan Scheme (TBS)

The TBLS is open only for the old batch of B-Tech, Diploma students for 3rd / 5th / 7th semester's regular students. Students will get a set of recommended books (Printed/eBooks) through the textbook Loan scheme for a semester. The printed course books will be returned to the library after the end of semester examination as notified by the Institute. If any student fails to return the books in time, he / she will not be allowed to register for the next semester.
In case the course book is available in E-books format, the library will not issue any hard copy to students.

Loss of Books

In case the books are lost, damaged or not returned, the concerned member will have to replace the latest edition of the new book. Else he / she will have to pay double the cost of the book. Photocopies / old books will not be accepted as replacement.
If the book lost or damaged is one of the volumes of a set, the member shall have to compensate the cost of the whole set.

Library Fine

An overdue charge of Rs. 2/- per day / per book for the overdue books issued from the library stock will be charged to the students.
"No Dues" certification will be cleared from the library only after the library dues are fully paid up upon completion of the program

Discipline, Security-General Rules & Regulations

The Janitor / Library Assistant at the entrance is authorized to examine everything that passes into or goes out of the library
Books removed from the shelves by students / Faculty, if not required for reference, should be kept on the book trolley or on the table nearest to them. Please do not try to shelf them yourself.
The members shall satisfy themselves about the physical condition of the books before borrowing. No plea that the book was already damaged will be entertained at the time of the return of the book.
Beverages, eatables, drinking, smoking and usage of cell phones are strictly prohibited inside the library.
Members should not deface, mark, cut, mutilate or damage library resources in any way. If anyone found doing so, he/she will be charged the full replacement cost of the resource. Books borrowed should be protected from Rain, Dust, Insect, etc. Anyone found involved in such activity shall be penalized.

Students are advised not to issue books to others on their names.

All personal belongings except Laptop, purses, Notebooks and other valuable items (Such as camera, ATM Card etc.) shall be deposited at the library / Property Counter.

ISO 9001 -2008 Certified

www.tulas.edu.in

LIB.30.02 Requisition of Book for the coming odd semester 2022-2023.

Discussion was held at large regarding the purchase of new books, journals and magazines according to the new titles and their volumes as per the requirement submitted by the different departments of the institute. It was resolved that librarian will prepare the list of all such requirements after consultation with HOD's and submit the same to the Registrar's office for further processing.

LIB.30.3.Renewal of Engineering Department E-Journals.

Discussion was held at large regarding the purchase or renewal of e- journals as per the requirement of the different departments of the institute. It was resolved that librarian renew Engineering E-Journals consultation with HOD's and submit the same to the Registrar's office for further processing.

LIB.30.4. Purchase of GSB Department E-Journals.

Discussion was held at large regarding the purchase of e- journals for GSB department, as per the requirement of the GSB departments of the institute. It was resolved that librarian purchased EBSCO Management E-Journals consultation with HOD's and submit the same to the Registrar's office for further processing.

LIB.30.5.Renewal AMC/up-gradation of libsys software for the year 2022-2023

The up gradation of the Libsys library software was extensively discussed. It was decided that the librarian should hold the AMC of Libsys and discuss with other library field professionals on other better software for the library and inform to the registrar's office for further process.

LIB.30.6. On the occasion of the Birthday of Dr. S. R. Ranganathan, August 12, 2022. Library department will celebrate the librarians Day.

LIB.30.7. Revision of Library budget due to increased numbers of students.

The revision of library budget was discussed in detail. It was decided that if any work of the library requires more amount than the allotted library budget, then the budget of the library will be revised.

Library facility in the Institute

The College has a well-maintained library section which serves as a rich resource of updated Relevant material for students. The library is completely computerized and serves all interested development professionals. The entry of the student is making entry in Gate System. The library system is automated through LSEASE Web-Based Integrated Library Management System (WILS) and Online Public Access Catalogue. The circulations of books are being facilitated through Barcodes and Identity Cards. The library contains a wide collection of Books, Journals, and Magazines & Periodical back volumes. A cyber library called the 'FTP' has been made available for staff and research scholars. It has 16 Computers with Internet browsing. Which students use to browse E-Journals, E-books, E-database and other E-resources.

Vision

- To emerge as an academic centre producing world class professionals promoting innovation and research.

Mission:

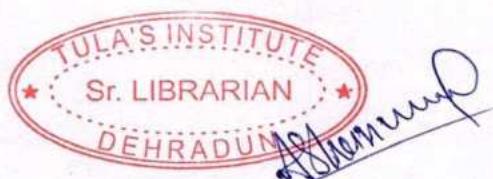

- To promote intellectual and skilled human capital generation employment and entrepreneurship.
- To be educational centre of excellence of multi ethnicity and diversity.

Two Day Workshop on Library Management using Libsys Software

Tula's Library organized a 2-day workshop on Libsys Software from 26 Aug-27 Aug 2022 in which Mr. Kamal Kant (Former Librarian, Nalanda University, Rajgir) was the resource person. The workshop was inaugurated by Dr. Sandip Vijay (Director Tula's Institute) by wearing a stole to Resource Person.

The inaugural function was attended by Dr. Nishant Saxena (Dean Academics), Dr. Pawan Kumar Choubey (Registrar), Dr. Ranit Kishor (Dean Management and Agriculture) and Mr. Abhishek Kumar Sharma (Senior Librarian). All the staff of the library including the senior librarian participated in the two-day workshop.

Workshop Agenda

Day 1:

On the first day, the library staff was made aware of the various modules of Libsys software by the resource person, in which information about acquisition, circulation, cataloguing, OPAC was given.

1-Acquisition: -The resource person provided information on how to access the library study material and how the library orders are processed by the Libsys software.

2- Circulation: -The process of issuing, returning and renewing books to the student was discussed in the circulation module. The process of extending the due date of already issued books was also discussed.

3- Cataloguing: - Discussed with library staff how to process library study material in cataloguing module of Libsys software.

4-OPAC: Discussed with library staff on how OPAC searches library material with the help of title, author, publisher, ISBN number.

Vision

- To emerge as an academic centre producing world class professionals promoting innovation and research.

Mission:

- To promote intellectual and skilled human capital generation employment and entrepreneurship.
- To be educational centre of excellence of multi ethnicity and diversity.
- To establish as technology driven teaching learning institution.
- To provide world class platform for research and innovation.
- To inculcate social, environmental, heritage values

Day 2:

On the second day of the workshop, the resource person explained to the library staff about the various new technologies used in the library.

1. **QR-Code:** - Generating QR-codes for library's e-resources and use of QR-codes by library users.
2. **Book Number:** - Generation of book number by OCLC cutter methods.
3. **Plagiarism:** - Library staff's were made aware of plagiarism software, how plagiarism software works and how to detect plagiarism in any document.
4. **Stock Verification:** A discussion was held and the library staff's were trained on the process of stock verification of library material by Libsys software.

After the conclusion of the workshop the resource person visited the library, in which some suggestions were given to the librarian to improve the working and documentation of the library, which are as follows.

S.No.	Audit points	Status	Observation & Suggestions
1	Library is automated using Integrated Library Management System (LIBSYS)	Available	Library should be shifted from LIBSYS software to KOHA software (Open Access Software) KOHA OPAC can also be used for library website
2	Book Barcode	Available	The Size of the Barcode of Books should be larger
