Summary Report

An Initiative by Tula's Institute and Sukamana Foundation

Venue: *Tula's Institute, Dehradun*

Date: 22nd May 2022

Tula's Institute celebrated the 8th International Yoga Day on 21st June 2022 with the enthusiastic participation of more than 200 participants including NCC cadets, NSS volunteers, college students, faculty, and staff.

The celebration on Tuesday was started with the lighting of the lamp by the Honorable Chief Guest and Cabinet Minter of the Government of Uttarakhand Shri Satpal Maharaj, Vice President of Tula's Institute Mr. Raunak Jain, Vice President Technology Dr. Raghav Garg, and Dr. Sandip Vijay, Director of Tula's Institute. Shri Satpal Maharaj addressed the gathering about yoga and the benefits of practicing Yoga to the individual in everyday life and highlighted the potential for customization to suit the individual. He, along with other participants, actively participated in the meditation session.

Mr. BL Semwal, and Mr. RS Chauhan, heartfulness meditation trainers, Dehradun, were invited on this occasion to conduct the meditation session. Yoga instructors Mrs. Supreet Arora, Mr. Shekhar Bisht, and Mrs. Anita Sharma gave Yoga training to all participants during the practice sessions. The whole program was organized by Dr. Sachin Kumar and Mr. Emmanuel Gabriel, faculty coordinators of student affairs with active support from all the volunteers of NCC and NSS of the institute and Sukamana Foundation and Trust (NGO). The purpose of yoga is to build strength, awareness as well as harmony in both mind and body. Tula's Institute gives a lot of importance to the well-being of its faculty and staff members. A vote of thanks concluded the session by Mr. Raunak, where he congratulated all the participants and thanked the efforts of the team to conduct such an amazing event.

The NSS team of Tula's institute did a plantation drive along with Shri Nityanand Swami JSS NGO at Podwala village, Dehradun 27th August 2022. It was the participation of 45 students and 10 faculty members who have done a great job. The drive started with an introduction address by Mr. Vinayak Sharma, youth wing president of the NGO, who shared the basic process of planting a tree. The students planted Mountain Ebony, and Indian blackberry saplings. There were also discussions during the drive about how we can save the forest and contribute to wildlife and the environment. The drive was a great success, and NSS will keep doing such activities to spread awareness among students and society. Emmanuel Gabriel, Sandeep Gautam along with other faculties participated in the plantation drive..

Date: 16th July 2022

Tula's Institute, Dehradun – NSS Unit in association with Shri Nityanand Swami Jan Seva Samiti (NGO) took an initiative and organized NSS Clothes Distribution Drive at the slums of Sahastradhara road and ATS Dehradun. The Drive was on 16th July 2022. This activity aims to provide clothes to needy and poor children and their families.

Volunteers kept boxes near the entrances of the slums. There was an overwhelming response from the students of the Tula's Institute to the donation drive. Volunteers took sincere efforts in collecting all the clothes and segregated them as per age groups.

The students were very enthusiastic about the drive as they were happy after experiencing the cheerful and happy faces of the children in the slum area. The villagers accepted all the clothes without any grudging which were distributed by NSS Volunteers.

On the whole, the drive was very fruitful for the villagers. As a result, they appeared very much positive and supportive of the program when they witnessed sympathy and painstaking efforts for children and people living around it. They also thanked and appreciated all the NSS Volunteers and NGO for taking the kind initiative.

An awareness drive on Women Hygiene by Tula's Institute on 20th October 2021

Women Menstrual Hygiene

In many societies around the world, taboos associated with menstruation, combined with an overall culture of silence around the topic, limit the ability of women and girls to fully and equally participate in society, undermining their overall social status and self-esteem.

The Challenge

At least 500 million women and girls globally lack adequate facilities for menstrual hygiene management (MHM). Inadequate WASH (water, sanitation and hygiene) facilities, particularly in public places, such as in schools, workplaces or health centers, can pose a major obstacle to women and girls. The lack of separate toilets with doors that can be safely closed, or the unavailability of means to dispose of used sanitary pads and water to wash hands, means that women and girls face challenges in maintaining their menstrual hygiene in a private, safe and dignified manner. A growing body of evidence shows that girls' inability to manage their

Director
Tula's Institute, Dehradun

TULA'S INSTITUTE, DEHRADUN

menstrual hygiene in schools, results in school absenteeism, which in turn, has severe economic costs on their lives and on the country.

Women and especially schoolgirls in India face the daunting task of maintaining their sanitary health during the ongoing pandemic. In 2018, the Indian Government launched its 'Ujjwala Sanitary Napkin' initiative under which women were to get access to low-cost sanitary pads. To provide school-going girls with free sanitary pads, vending machines were installed in government schools. However, due to the continued closure of such schools in the nationwide lockdown, a critical part of the supply chain of these pads has been compromised causing a sudden deprivation of sanitary pads. This exposes economically weak women to a high risk of sanitation-related diseases and complications.

Menstrual hygiene education is a taboo in India. Women find it difficult to openly ask for sanitary products from a male family member (who generally fetches goods from the market). Women, especially in rural areas, are confined to their homes and depend on male or elderly female household members for procuring sanitary products.

Due to the lack of clean, private, safe water and sanitation facilities, women are unable to practice personal sanitary hygiene like changing the menstrual pads, washing cloth pads, and drying them in sunlight for proper disinfection. Due to the scarcity of pads, girls limit their food and water intake to minimize their use of the toilet so that they don't have to change pads as regularly. These practices could lead to severe health issues in the longer run.

Initiative by Tula's Institute and Shri Nityanand Swami Jan Seva Samiti (Reg.)

Tula's Institute organized Women's hygiene drive in association with Shri Nityanand Swami Jan Seva Samiti in the village of Indreshnagar, Dehradun on 20/10/21. Students of Tula's interacted with dwelling all the women of Indreshnagar & sensitized them about menstrual health and hygiene. Students distributed 600 sanitary pads in the village and stressed on the importance of awareness. The Tula's team was lead by student coordinator Ms. Chhaya Chaudhary of BBA 2nd Year supported by team of teaching faculty Ms. Navjyoti Singh, Dr. Pooja Rawat Thapliyal, Ms. Tanuja, and Ms. Poonam. The event was successful at the end of the day..

Objectives of the Event

1. To increase awareness among adolescent girls on Menstrual Hygiene.
2. To increase access to and use of high quality sanitary napkins to adolescent girls in rural areas.
3. To educate about safe disposal of Sanitary Napkins in an environmentally friendly manner.

Outcomes of the Event

1. 600 sanitary pads were distributed among the women living at Indreshnagar, Dehradun.
2. Women were provided education about personal hygiene.

**'AWARENESS DRIVE ON WOMEN HYGIENE' BY TULA'S
INSTITUTE AND SHRI NITYANAND SWAMI JAN SEVA SAMITI
(REG.) at VILL. PODWALA, DEHRADUN**

An awareness drive on Women Hygiene by Tula's Institute on 15th May 2022

Women Menstrual Hygiene

In many societies around the world, taboos associated with menstruation, combined with an overall culture of silence around the topic, limit the ability of women and girls to fully and equally participate in society, undermining their overall social status and self-esteem.

Director
Tula's Institute, Dehradun

TULA'S INSTITUTE, DEHRADUN

The Challenge

At least 500 million women and girls globally lack adequate facilities for menstrual hygiene management (MHM). Inadequate WASH (water, sanitation and hygiene) facilities, particularly in public places, such as in schools, workplaces or health centers, can pose a major obstacle to women and girls. The lack of separate toilets with doors that can be safely closed, or the unavailability of means to dispose of used sanitary pads and water to wash hands, means that women and girls face challenges in maintaining their menstrual hygiene in a private, safe and dignified manner. A growing body of evidence shows that girls' inability to manage their menstrual hygiene in schools, results in school absenteeism, which in turn, has severe economic costs on their lives and on the country.

Women and especially schoolgirls in India face the daunting task of maintaining their sanitary health during the ongoing pandemic. In 2018, the Indian Government launched its 'Ujjwala Sanitary Napkin' initiative under which women were to get access to low-cost sanitary pads. To provide school-going girls with free sanitary pads, vending machines were installed in government schools. However, due to the continued closure of such schools in the nationwide lockdown, a critical part of the supply chain of these pads has been compromised causing a sudden deprivation of sanitary pads. This exposes economically weak women to a high risk of sanitation-related diseases and complications.

Menstrual hygiene education is a taboo in India. Women find it difficult to openly ask for sanitary products from a male family member (who generally fetches goods from the market). Women, especially in rural areas, are confined to their homes and depend on male or elderly female household members for procuring sanitary products.

Due to the lack of clean, private, safe water and sanitation facilities, women are unable to practice personal sanitary hygiene like changing the menstrual pads, washing cloth pads, and drying them in sunlight for proper disinfection. Due to the scarcity of pads, girls limit their food and water intake to minimize their use of the toilet so that they don't have to change pads as regularly. These practices could lead to severe health issues in the longer run.

Initiative by Tula's Institute and Shri Nityanand Swami Jan Seva Samiti (Reg.)

The NSS unit of Tula's Institute, Dehradun and Shri Nityanand Swami Jan Seva Smiti performed an awareness drive on women hygiene at the village Podwala on 15th May 2022. The students went door to door and distributed the sanitary napkins and made the village women aware about the hygiene during the menstruation cycle. After that the yoga instructor taught them various exercises and also taught them about their eating habits. The Tula's team was lead by student coordinator Ms. Chhaya Chaudhary of BBA 2nd Year and Ms Ekta Yadav of BBA 1st yr supported by team of teaching faculty Mr. Emmanuel Gabriel, Head of Extension Committee. The event was successful at the end of the day.

Objectives of the Event

1. To increase awareness among adolescent girls on Menstrual Hygiene.
2. To increase access to and use of high quality sanitary napkins to adolescent girls in rural areas.
3. To educate about safe disposal of Sanitary Napkins in an environmentally friendly manner.

Outcomes of the Event

1. 100 sanitary pads were distributed among the women living at Vill. Podwala, Dehradun.
2. Women were provided education about personal hygiene.

'CLEANLINESS DRIVE' BY TULA'S INSTITUTE AND SHRI NITYANAND SWAMI JAN SEVA SAMITI (REG.) at RAJPUR ROAD, DEHRADUN

World Health Day is celebrated every year on 7 April to commemorate the anniversary of the founding of the World Health Organization (WHO) in 1948.

Each year for this date, a theme is chosen that highlights an area of priority concern for WHO. In the face of the current pandemic, a polluted planet, and an increasing incidence of diseases, the theme for World Health Day 2022 is **Our Planet, Our Health**. This call from PAHO, the WHO, and partners, presents a unique opportunity for a green and healthy recovery from the COVID-19 pandemic, that puts the health of individuals and the planet at the center of actions and fosters a movement to create societies focused on well-being.

In recent decades, enhancements in health services, environmental protection, economic development, and other factors have led to improvements in the health of people across the Region of the Americas. Nevertheless, an estimated one million premature deaths per year are attributable to known avoidable environmental risks.

Director
Tula's Institute, Dehradun

TULA'S INSTITUTE, DEHRADUN

Air pollution, contaminated water, inadequate sanitation including solid waste management, risks related to certain hazardous chemicals, and negative impacts of climate change are the most pressing environmental public health threats in the Region. These threats to public health are compounded by weak governance practices and potential inequities in health as well as by limited leadership, expertise, and resources in the health sector.

However, this theme of **Our Planet, Our Health** should be a powerful reminder to us that the resolution of many of these issues are beyond the exclusive purview of the health sector and, as a consequence, an effective response will demand whole-of-government and whole-of-society approaches.

Join us to the **World Health Day** commemoration. We will be presenting the Region's vision together with inspiring stories from countries of the Americas about the actions that they are taking to build a world with clean air, safe water, and sanitation, where healthy food is available to all, cities are livable, economies are climate-resilient and focused on health and well-being. Furthermore, they are contributing to a world where all people, including those living in situations of vulnerability, can live longer, happier and thrive.

Objectives of the Event

World Health Day is celebrated every year to raise awareness about the ongoing health issues that concern people across the world.

Outcomes of the Event

1. Total 180 first aid kits were distributed to the people of vill. podwala
2. Education regarding the first aid was provided to the people.

Cleanliness Drive by Tula's Institute and Shri Nityanand Swami Jan Seva Samiti (Reg.) at Jhajra on 19th October 2021

About Swachh Bharat Abhiyan

Cleanliness is next to Godliness. We've heard this phrase many times. But do we follow this? A lot of people don't, even though we should. However, some of us don't even respect the people who clean the trash. There are a lot of cons for not maintaining cleanliness. Cleanliness should be followed by everyone. Let's find out more about it.

Cleanliness means that there is no dirt, no dust, no stains, no bad smells. The goals of cleanliness are health, beauty, absence of offensive odour and to avoid the spreading of dirt and contaminants to oneself and others.

With the help of cleanliness, we can keep our physical and mental health clean, which will make us feel good. Cleanliness gives rise to a good character by keeping body, mind, and soul clean and peaceful. Maintaining cleanliness is the essential part of healthy living because it is the

Director
Tula's Institute, Dehradun

TULA'S INSTITUTE, DEHRADUN

cleanliness only which helps to improve our personality by keeping clean externally and internally.

It is everybody's responsibility, and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases.

Swachh Bharat Mission by Government of India

"A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birth anniversary in 2019," said Shri Narendra Modi as he launched the Swachh Bharat Mission at Rajpath in New Delhi. On 2nd October 2014, Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement.

While leading the mass movement for cleanliness, the Prime Minister exhorted people to fulfil Mahatma Gandhi's dream of a clean and hygienic India. Shri Narendra Modi himself initiated the cleanliness drive at Mandir Marg Police Station. Picking up the broom to clean the dirt, making Swachh Bharat Abhiyan a mass movement across the nation, the Prime Minister said people should neither litter, nor let others litter. He gave the mantra of 'Na gandagi karenge, Na karne denge.' Shri Narendra Modi also invited nine people to join the cleanliness drive and requested each of them to draw nine more into the initiative.

By inviting people to participate in the drive, the Swachhta Abhiyan has turned into a National Movement. A sense of responsibility has been evoked among the people through the Clean India Movement. With citizens now becoming active participants in cleanliness activities across the nation, the dream of a 'Clean India' once seen by Mahatma Gandhi has begun to get a shape.

The Prime Minister has helped spread the message of Swachh Bharat by urging people through his words & action. He carried out a cleanliness drive in Varanasi as well. He wielded a spade near River Ganga at Assi Ghat in Varanasi under the Clean India Mission. He was joined by a large group of local people who cooperated in the Swachhta Abhiyan. Understanding the significance of sanitation, Prime Minister, Shri Narendra Modi has simultaneously addressed the health problems that Indians families have to deal with due to lack of proper toilets in their homes.

People from different sections of the society have come forward and joined this mass movement of cleanliness. From government officials to jawans, bollywood actors to the sportspersons, industrialists to spiritual leaders, all have lined up for the noble work. Millions of people across the country have been day after day joining the cleanliness initiatives of the government departments, NGOs and local community centres to make India clean. Organising

Director
Tula's Institute, Dehradun

frequent cleanliness campaigns to spreading awareness about hygiene through plays and music is also being widely carried out across the nation.

Bollywood celebrities to television actors came forward and actively joined the initiative. Noted personalities like Amitabh Bachchan, Aamir Khan, Kailash Kher, Priyanka Chopra and entire cast and crew of SAB TV show 'Taarak Mehta Ka Ooltah Chashmah' lend a hand to Swachh Bharat Abhiyan. Numerous sportspersons like Sachin Tendulkar, Sania Mirza, Saina Nehwal and Mary Kom's contribution the clean India drive have been commendable.

Objectives of the Event

The 'Cleanliness Drive' would promote the values of cleanliness, discipline and respect for the environment in the children and educate and sensitize them about the importance of cleanliness for a healthy, socially responsible, economically dynamic and progressive nation.

Outcomes of the Event

1. All the students and faculties of Tula's Institute participated in the event with great gusto.
2. Around 100 bags of garbage were collected from the venue.

List of Measures

1. Masks, Hand Sanitizers, Hand Gloves were distributed among the students and all the volunteers.
2. Recyclable bin bags were given to the students and volunteers.
3. Arrangement of refreshment was done for the students and all the volunteers

Summary Report

An Initiative by Tula's Institute and Shri Nityanand Swami Jan Seva Samiti (Reg.)

Venue: *Advani Bridge, Jhajhra*

Tula's Institute successfully conducted cleanliness drive in the riverbed of Asan River on 19/10/21. The drive was carried out in association with Shri Nityanand swami Jan Seva Samiti. Students gathered under the Advani Bridge, built across the river Asan at 7 AM in the morning and started cleaning the nearby areas of the bridge with full zeal and motivation to contribute for a cause. People tend to toss the garbage from the bridge leading to accumulation of garbage in the entire riverbed area. The newly enrolled students were made to clean the area in order to realize the importance of human labor and cleanliness. Students realized that very random act of throwing a piece of trash can lead to a very modern challenge of solid waste management. Student's were equipped with mask, gloves, sanitizer to ensure safety and hygiene. The drive was lead by Tula's Vibgyor (A student Cultural wing of Tula's) and was carried out in the presence of Assistant Professor Karan Oberoi, Aditya Kumar, Neeraj Kotiyal, Navjyoti Singhal. The representatives of Nityanand Sewa Samiti were also present at the time of drive. Students were served with refreshment at the end of the exhaustive drive.

Summary Report

An Initiative by Tula's Institute and Shri Nityanand Swami Jan Seva Samiti (Reg.)

Venue: *Near Clock Tower, Rajpur Road, Dehradun*

Date: 22nd May 2022

Aligning itself with cleanliness campaign initiated by Govt of India, The NSS unit of Tula's Institute, the dynamic leadership of Executive Director Ms. Silky Jain Marwah, has conducted cleanliness drive in collaboration with Shri Nityanand Swami Jan Seva Samiti, an NGO as a part of Extension and Outreach Program under 'Swachh Bharat Abhiyan' initiatives of Government of India at Rajpur road, Dehradun on 22nd May 2022. More than 70 participants including faculty members and students, enthusiastically participated in the cleanliness drive as part of Swachh Bharat Abhiyan.

More than 20 bags of garbage (paper waste/Plastic waste/ Plastic bottles) are collected from various locations of the Rajpur Road. The participants cleaned the area and raised the slogan 'One step towards cleanliness'.

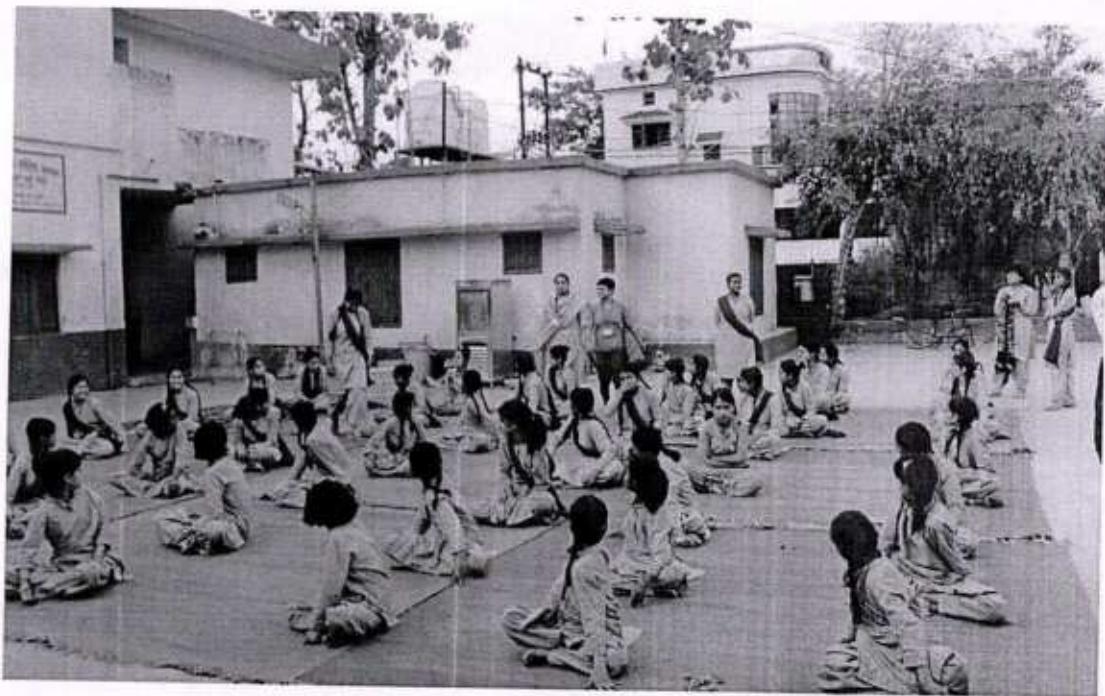

Speaking on the occasion, Mr. Vinayak Sharma from NGO highlighted the significance and importance of cleanliness in the lives. He shared that individual responsibility is of essence in realizing the dream of a clean India and thus, each individual should voluntarily shoulder this responsibility. The institution has also initiated healthy refreshment initiatives along with a cleanliness drive for societal wellbeing awareness.

The programme was coordinated by Mr. Emmanuel Gabriel, Assistant Professor in the Graduate School of Business at Tula's Institute. During the said program The Standard Operating Procedures (SOPs) on preventive measures including physical/ social distancing, use of face masks, hand gloves, hand sanitizations has been followed to contain the spread of COVID-19.
