'CLEANLINESS DRIVE' BY TULA'S INSTITUTE AND W.I.E AT DHOOLKOT MAFI, DEHRADUN

Cleanliness Drive by Tula's Institute and W.I.E) at Dhoolkot Mafi on 06th november 2022

About Swachh Bharat Abhiyan

Cleanliness is next to Godliness. We've heard this phrase many times. But do we follow this? A lot of people don't, even though we should. However, some of us don't even respect the people who clean the trash. There are a lot of cons for not maintaining cleanliness. Cleanliness should be followed by everyone. Let's find out more about it.

Cleanliness means that there is no dirt, no dust, no stains, no bad smells. The goals of cleanliness are health, beauty, absence of offensive odor and to avoid the spreading of dirt and contaminants to oneself and others.

With the help of cleanliness, we can keep our physical and mental health clean, which will make us feel good. Cleanliness gives rise to a good character by keeping body, mind, and soul clean and peaceful. Maintaining cleanliness is the essential part of healthy living because it is the cleanliness only which helps to improve our personality by keeping clean externally and internally.

It is everybody's responsibility, and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases.

Swachh Bharat Mission by Government of India

"A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birth anniversary in 2019," said Shri Narendra Modi as he launched the Swachh Bharat Mission at Rajpath in New Delhi. On 2nd October 2014, Swachh Bharat Mission was launched throughout the length and breadth of the country as a national movement.

While leading the mass movement for cleanliness, the Prime Minister exhorted people to fulfill Mahatma Gandhi's dream of a clean and hygienic India. Shri Narendra Modi himself initiated the cleanliness drive at Mandir Marg Police Station. Picking up the broom to clean the dirt, making Swachh Bharat Abhiyan a mass movement across the nation, the Prime Minister said people should neither litter, nor let others litter. He gave the mantra of 'Na gandagi karenge, Na karne denge.' Shri Narendra Modi also invited nine people to join the cleanliness drive and requested each of them to draw nine more into the initiative.

By inviting people to participate in the drive, the Swachhta Abhiyan has turned into a National Movement. A sense of responsibility has been evoked among the people through the Clean India Movement. With citizens now becoming active participants in cleanliness activities across the nation, the dream of a 'Clean India' once seen by Mahatma Gandhi has begun to take shape.

The Prime Minister has helped spread the message of Swachh Bharat by urging people through his words & action. He carried out a cleanliness drive in Varanasi as well. He wielded a spade near River Ganga at Assi Ghat in Varanasi under the Clean India Mission. He was joined by a large group of local people who cooperated in the Swachhta Abhiyan. Understanding the significance of sanitation, Prime Minister, Shri Narendra Modi has simultaneously addressed the health problems that Indians families have to deal with due to lack of proper toilets in their homes.

People from different sections of the society have come forward and joined this mass movement of cleanliness. From government officials to jawans, bollywood actors to the sportspersons, industrialists to spiritual leaders, all have lined up for noble work. Millions of people across the country have been day after day joining the cleanliness initiatives of the government departments, NGOs and local community centers to make India clean. Organizing frequent cleanliness campaigns to spread awareness about hygiene through plays and music is also being widely carried out across the nation.

Bollywood celebrities to television actors came forward and actively joined the initiative. Noted personalities like Amitabh Bachchan, Aamir Khan, Kailash Kher, Priyanka Chopra and entire cast and crew of SAB TV show 'Taarak Mehta Ka Ooltah Chashmah' lend a hand to Swachh Bharat Abhiyan. Numerous sportspersons like Sachin Tendulkar, Sania Mirza, Saina Nehwal and Mary Kom's contribution to the clean India drive have been commendable.
