2026-27 —

TULAS UNIVERSITY

WHERE BHARAT INNOVATES

20 YEARS OF EXCELLENCE
IN HIGHER EDUCATION

**SHAPING FUTURES.
BUILDING LEGACIES.**

An AI-Driven University Empowering
Future-Ready Leaders. Blending innovation,
technology, and experiential learning to
shape the next generation of professionals.

WELCOME TO TULAS UNIVERSITY

Trusted by Families Across 25+ States For Over 20 Years

Tulas University has been empowering students with the knowledge, skills, and confidence to build successful careers and meaningful lives for over two decades now.

Established with a vision to redefine higher education, Tulas combines **academic excellence with industry-integrated learning, experiential education, and professional development** to prepare students for the evolving world of work.

At Tulas University, education goes beyond earning a degree. Through hands-on learning, expert mentorship, internships, and strong industry collaborations, students gain the exposure and competencies that employers seek.

Accredited with NAAC A+ and NBA, the institute offers a dynamic learning environment supported by experienced faculty, modern infrastructure, and an AI-driven educational ecosystem.

Our commitment is simple - to nurture professionals who are career-ready, globally aware, and equipped to lead with confidence.

At Tulas University, aspirations turn into achievements and careers into lasting success.

QUALITY. CREDIBILITY. COMMITMENT.

To ensure top-level benchmarks and uncompromised quality, Tulas is NAAC accredited, with state-of-the-art infrastructure that enhances learning, collaboration, and creativity.

“ At Tulas University, education is not just about earning a degree, it is about building a foundation for **lifelong growth, leadership, and impact.** ”

EDUCATION FOR THE AI ERA

At Tulas University, we are embracing the AI revolution to build **future-ready minds** who will innovate, lead and create a better tomorrow.

ADAPTIVE. AGILE. INNOVATIVE. IMPACTFUL.

TULAS PROMISE FOR THE AI ERA

OUR VISION

To emerge as an academic centre producing world class professionals, promoting innovation and research.

**WE PROMISE
A FUTURE-READY
JOURNEY
POWERED BY
AI**

OUR MISSION

To foster excellence in education, innovation, and research while empowering diverse learners with skills, values, and entrepreneurial spirit for a sustainable future.

OUR LEARNING ECOSYSTEM FOR THE AI ERA

AI & DATA LABS

Hands-on experience with AI, ML, Data Science and advanced tools.

SMART & ADAPTIVE CLASSROOMS

Tech-enabled classrooms that personalize learning and enhance engagement.

INNOVATION & MAKER SPACES

Spaces to ideate, prototype and build solutions for real-world problems.

COLLABORATIVE COMMUNITY

A vibrant ecosystem of peers, mentors and experts driving collective growth.

CONTINUOUS GROWTH

Lifelong learning mindset to stay ahead in an ever-evolving world.

..... EMPOWERING LEARNERS TO THRIVE IN THE AI ERA

THINK CRITICALLY CREATE BOLDLY

Solving tomorrow's challenges today.

COLLABORATE INTELLIGENTLY

Human + AI working together for greater impact.

INNOVATE RESPONSIBLY

Technology with purpose for a better world.

LEAD FEARLESSLY

Building a future with confidence.

**INNOVATE TODAY
LEAD TOMORROW**

At Tulas University, we are not just adapting to the AI Era. We are leading it. Be future-ready. Be future-proof. Be unstoppable. Be the change.

Management Messages

Sunil Kumar Jain

Chairman, Tulas Group

“Education is not just about learning new things, but about seeing the world in a different light. With over 40 years of experience in business, social, and public spaces, I have built an ecosystem designed to guide students in making the right decisions for their career and life.”

MEET OUR MANAGEMENT
